Name as it appears on card (please print)

Annual Giving supports the yearly operating budget which covers the church's daily expenses of worship each week, provides programs for education for adults and children, provides pastoral care and help to our National Church. Each family is asked to make a pledge so that we may be good stewards, planning our yearly expenses and expenditures. For 2020, we ask you to consider committing to an increase in your pledge of annual support to St. George.
